

## CMHS NOMs Client-level Measures for Discretionary Programs Providing Direct Services (Services Tool): Section G – Program-specific Questions

Section G includes program-specific questions. Grantees only need to collect data on the questions associated with their grant program (listed in the table below). The OMB-approved tool shows all questions; SAMHSA’s Performance Accountability and Reporting System (SPARS) data entry screens only show questions relevant to each specific grant program. This information was current as of the “Revised” date and is subject to change.

ACRONYM	GRANT PROGRAM NAME	QUESTIONS TO COMPLETE IN SECTION G
<b>ACT</b>	Assertive Community Treatment	G6
<b>AOT</b>	Assisted Outpatient Treatment	G1
<b>CCBHC-E</b>	Certified Community Behavioral Health Clinics – Expansion Grants	G8
<b>CHR-P-A</b>	Clinical High Risk for Psychosis Program	G7
