

### CSAT GPRA Client Outcomes Measures for Discretionary Programs Tool: Section H – Program-specific Questions

Section H includes program-specific questions. Grantees only need to collect data on the questions associated with their grant program (as specified by your Government Project Officer [GPO] and listed in the table below). The OMB-approved tool shows all questions; SAMHSA’s Performance Accountability and Reporting System (SPARS) data entry screens only show questions relevant to each specific grant program. This information was current as of the “Revised” date and is subject to change.

#### WHO TO CONTACT FOR HELP?

Questions about SAMHSA’s Performance Accountability and Reporting System (SPARS) access, data entry issues, system errors, etc. should go to the SPARS Help Desk at 800-685-7623 or [SPARSHelpDesk@mathematica-mpr.com](mailto:SPARSHelpDesk@mathematica-mpr.com). Please direct all other questions to each grant’s GPO.
