WHAT IS SPARS?

SPARS is the Substance Abuse and Mental Health Services Administration's (SAMHSA) Performance Accountability and Reporting System. It supports grantees in reporting timely and accurate data to SAMHSA.

CSAP grantees can use this handout and its checklist items to learn about and track their progress in getting started with using SPARS.

 This icon indicates resources or tasks that require the user to be logged into SPARS.

Note: Resource lists and their online locations are subject to change. This document will be updated periodically.

NEW to SPARS

Getting Started and Entering Data

GETTING STARTED

Grant Project Director (PD)

- Identify who will submit data to SPARS.
- Request a new SPARS account and/or add applicable staff to the grant by sending a completed [Add or Remove User Request Form](#) to the SPARS Help Desk at SPARSHelpDesk@mathematica-mpr.com.

All grantee staff who will be accessing and entering grantee data in SPARS

- Log into SPARS user account and confirm expected access for grant role.
- [Watch a video introduction for CSAP grantees](#) and [Five Tips for Managing Your SPARS Account](#).
- Review document resources including [CSAP Frequently Asked Questions](#), [CSAP Resource Guide](#).
- Read your SPARS emails and check the website's [homepage announcements](#) for more resources coming soon!

CSAP requires grantees to complete work plans, progress reports, and annual targets throughout the life of their grant that capture information about grantees' project planning and progress in implementing their projects. Work plans vary depending on the grant type. If you are unsure of what work plans are required for your grant, see the following information for resources specific to your grant, or consult with your Government Project Officer (GPO) or Notice of Award (NOA).

ENTERING DATA using the Division of State Programs – Management Reporting Tool (DSP-MRT)

- Grantees can view [training courses](#) reviewing the DSP-MRT and courses specific to their grant program, as well as tools and reporting requirements guides specific to their grant program using the links below.

FINDING ADDITIONAL RESOURCES

Check out the range of resources available on SPARS by visiting the [Training](#) tab! Grantees can learn about navigating SPARS, conducting client-level interviews, collecting program-level information, entering data, and accessing and using reports. Short instructional videos, recorded webinars, training slides with speaker's notes, and other types of materials are available. The [Resources](#) section of SPARS offers a range of helpful materials including Tools, Codebooks, Question-by-Question Guides, FAQs, Newsletters, and more!

GETTING HELP

- The SPARS Help Desk (SPARSHelpDesk@mathematica-mpr.com or 1-800-685-7623) can help with account issues, information on how to use data entry and reporting features in SPARS, problems with the website, and locating resources.
- Technical Support Request System (TSRS) requests can be submitted for improving enrollment and follow-up rates, using data in reports, or creating graphics to promote grant programs. Learn more about TSRS requests in the [Technical Support Request System \(TSRS\) User Guide for Grantees](#).
- Grantees can reach out to their GPO for other questions.
